About Me

Law & Society student looking for hands-on experience in government and public service. Graduated high school at 16, demonstrating early initiative and dedication to learning. Interested in politics, policy, and government, with practical experience in graphic design, marketing, cybersecurity, digital communications. Also experienced in creative arts, including audio design, music composition, photography, and basic videography. In high school, served as a local journalist and Ukrainian/Russian/English translator for Association of Neuropsychologists of Ukraine, under Dr. Dmitry Garyshkin. Volunteer experience with canvassing and phone-banking.

Work Experience

2023 - 2024

Design, Marketing, & Communications Assistant For Bright Wheeler Group

- Supported marketing and graphic design initiatives for public-sector projects and communications
- Assisted in creating visual and written materials tailored to local and state agencies
- Conducted background and policy research on public agencies and programs to inform project content
- Maintained organized project files and version records, and created style guides
- Formatted and designed project and presentation materials in accordance with agency and organizational guidelines

2024 - 2025

Marketing & Digital Design Specialist For Bright Wheeler Group

- Led marketing and graphic design efforts for public-sector projects and organizational communications
- Oversaw formatting, design, and submission of complex documents, ensuring adherence to agency standards and deadlines
- Developed and coded the company website

2026/Present

Intern For Lydia Green for NY District 52

- Designed and produced progressive social media graphics to support district-wide political messaging, voter outreach, and engagement initiatives.
- Collaborated with staff to translate policy priorities into clear, visually compelling digital content.
