## About Me

---

Law & Society student looking for hands-on experience in government and public service. Graduated high school at 16, demonstrating early initiative and dedication to learning. Interested in politics, policy, and government, with practical experience in graphic design, marketing, cybersecurity, digital communications and RFP development. Also experienced in creative arts, including audio design, music composition, photography, and basic videography. In high school, served as a local journalist and Ukrainian/Russian/English translator for Association of Neuropsychologists of Ukraine, under Dr. Dmitry Garyshkin. Volunteer experience with canvassing and phone-banking.

## Work Experience

---

### 2023 - 2024

Design, Marketing, & Communications Assistant For Bright Wheeler Group

- Supported marketing and graphic design initiatives for public-sector projects and communications
- Assisted in creating visual and written materials tailored to local and state agencies
- Conducted background and policy research on public agencies and programs to inform project content
- Maintained organized project files and version records, and created style guides
- Formatted and designed project and presentation materials in accordance with agency and organizational guidelines

### 2024 - Present

Marketing & Digital Design Specialist For Bright Wheeler Group

- Led marketing and graphic design efforts for public-sector projects and organizational communications
- Oversaw formatting, design, and submission of complex documents, ensuring adherence to agency standards and deadlines
- Developed and coded the company website
- Designed and maintained a centralized database of project outcomes to track success rates and inform future strategy
